

**THE SHOWCASE OF
SOUTHEAST TEXAS**

**2024 DRUMS AND FRONT
AUDITION PACKET**

TENORS

Hello!

Thank you for your interest in LU Drums and Front. Congratulations on taking the first step to becoming a member! We are a group of musicians that aim to have fun through quality relationships and high-quality performance. The staff aims to provide a positive learning experience where you can apply the very skills and information you learn as a member in the Showcase to numerous outside disciplines.

The Showcase of Southeast Texas is a performance ensemble that entertains diverse crowds in multiple ways. We enjoy giving high energy performances to high energy crowds and take that same high energy approach to our preparation. LU Drums and Front is a group that works hard, plays hard, and lifts each other up through teamwork. Being a part of this ensemble will entail high expectations where you will be asked to show up prepared, work outside of rehearsal time, and always pursue excellence. This will manifest itself in various forms including outside sectional times, additional playing events, and much more. While we appreciate talented musicians, we prioritize open-minded human beings who are willing to go the extra mile to make something exceptional and contribute to an encouraging environment.

Once auditions are over you will have a clear picture of where you stand within the Showcase. Spots are unfortunately limited due to many factors, but we hope to get as many people involved as we can. Regardless of the outcome, we hope that you enjoy the process and learn from this experience. If you have any questions, always feel free to reach out to Dr. Reese Maulsby (rmaultsby@lamar.edu).

Thank you again! Have fun and good luck.

Sincerely,

LU Percussion Staff

Experience Camp #2 – July 20th, 9am-4:30pm

Please register for these clinics here:

AUDITIONS

Auditions for the LU Drums and Front will consist of 1) a preliminary video audition, and then 2) a live audition. All members must submit a video audition to be considered for LU Drums and Front. We will be accepting videos until July 31st, but priority will be given to those who submit by the priority deadline.

1. Priority deadline for video audition submissions: June 1st, 11:59pm
2. Live audition: August 10th-12th

The live audition will consist of a “rehearsal” style weekend along with an individual audition. Prospective members will be asked to prepare a short musical excerpt which will be given the day of the audition. Further information will be sent as it is available.

SEASON INFORMATION

All members must attend rehearsals, sectionals, and games.

- Full band rehearsals: Tuesday/Thursday 1:30pm-3:25pm and Friday 1:50pm-3:10pm
- Percussion sectionals: Tuesday 6:00pm-8:00pm
- Gamedays will include morning rehearsals and extra activities, please plan to be with the Showcase the entire day of home games

Lamar University will provide members with their first pair of drumsticks, but members must purchase their remaining stick needs throughout the season. Below is what we will use:

- Snares and Tenors: Innovative Percussion Tom Rarick (FS-TR)
- Bass Drums: Innovative Percussion Field Bass Series 1-5 (FBX 1-5)

Your safety is of the utmost importance to us. Please make sure you have a water bottle, athletic shoes, sunscreen, and hearing protection at every rehearsal. For hearing protection, any sort of hi-fidelity earplug will do, but our recommendation is Earasers Earplugs: <https://www.earasers.net/collections/musicians-hifi-earplugs> (alternatives like Vibes Hi-Fidelity Earplugs work great as well).

COMMITMENT FORM

All members must submit their information through the 2024 Marching Band Commitment Form. If you haven't yet, **please fill it out now:** <http://www.lamar.edu/jointheshowcase>

PRELIMINARY VIDEO AUDITIONS

All members must audition and will be assessed equally. Returning members are not guaranteed their spots, and music majors needing to fulfill graduation requirements are not guaranteed their primary instrument preference. All videos must be submitted by June 1st for priority deadline consideration.

If you have any questions, please reach out to Dr. Reese Maultsby (rmaultsby@lamar.edu).
